**\*Clinics relaunch on Monday 29 April**

Please arrive 10 minutes prior to your confirmed slot. If you are late we may have to rebook your appointment. Thank you.

Remember you may not always need to come to clinic, we offer several services remotely, digitally and by using postal services. **Scan the QR code below to access our wide range of choices including:**

### Free postal STI test kits

Free postal STI test kits are available online to anybody aged 16+ living in Wirral. If you are not experiencing any symptoms of an infection and simply want an STI checkup the postal kit option may suit you better. Kits are discreet and easy to use.

### Repeat contraception by post

If your regular contraceptive pill supply is running low and you require a repeat supply, we may be able to provide this by post following a telephone consultation or via your local pharmacy. Please call **0300 123 5474** to enquire.

### Online booking, e-leaflets and advice

Easy and discreet online booking gives you access to a range of available appointments across our sites. You can also find advice and guidance and a library of leaflets about contraception and sexual health on our website.

### Pharmacy services and support

We work in partnership with over 60 community pharmacies in Wirral to provide free Emergency Hormonal Contraception (EHC). Look out for our sticker on pharmacy windows. Many are open evening and weekends.

More info here

### Clinic locations

**ourPlace** (19 and under)  
St Catherine's Health Centre,  
First Floor,  
Derby Road, Birkenhead CH42 0LQ

**St Catherine's Health Centre**  
Gemini Centre, Second Floor,  
Derby Road, Birkenhead CH42 0LQ

**Victoria Central Health Centre**  
Outpatients Department,  
Mill Lane, Wallasey CH44 5UF

### GP services and support

If you require a LARC procedure (long-acting reversible contraception) often referred to as contraceptive implant or coil, we work in partnership with a number of GP surgeries across Wirral to provide this service, giving flexibility and choice closer to home.
